The Clackamas Youth Baseball Camps are designed to teach younger players the basic fundamentals, skills, and drills involved in developing sound baseball techniques. We also will stress the appropriate mental approach to the game of baseball. Our goal is to give each athlete a better understanding and knowledge of what it takes to be the best all around baseball player they can be, both physically and mentally. In addition, we hope to teach proper training methods to help prevent injuries.

The camp is run by the two time Oregon 6A State Champion baseball staff here at Clackamas High School. Former and current Clackamas Baseball players, many of which are now playing at the collegiate level, will assist the camp coaches. This will insure quality instruction and repetition for the camp participants. The camps will be held in the Clackamas High School gyms and in the indoor hitting facility (The Big House).

* A description of each camp is on the back of this brochure.
