

CLACKAMAS BASEBALL YOUTH COACHES CLINIC

6A STATE CHAMPIONS

Clackamas baseball is having a coaches clinic for all the youth coaches in the Clackamas area. By attending this clinic you will have a better feel for what Clackamas Baseball is all about and what strategies Coach Arntson implements in this growing program. In order to continue our success, we need coaches that want to learn and become better to engrave a winner's attitude in all our youth baseball players. We hope to see all of you there.
